

**Hillsborough Handmade Parade's
Children's Drum Workshop Registration
For children 11 years and under**

- Sunday August 31, 4:30 to 6:00 pm
 - Sunday September 14, 4:30 to 6:00 pm
- PLEASE CIRCLE THE DATES YOU ARE REGISTERING FOR**

Parade Theme: The Waters of the Eno and Her Creatures

Beverly will share basic techniques of hand drums and percussion with a focus on the traditions and inspirations of Africa, Cuba, and the Caribbean. With Congas, dundun, djembe, shekere, and an array of percussion instruments we will explore groove, phrasing, call and response, poly-rhythmic orchestration, dynamics, and improvisation.

Honoring the old, Beverly will help us create the new and construct a "parade of rhythm" with parts for all levels, ages and experience; for fun, self-expression and community participation in the Hillsborough Handmade Parade!

Beverly will graciously share her congas, dununs, djembe, shekeres, and a wild array of percussion instruments. Bring your own drums, percussion and extras to share if you have them and be ready to join in! If possible, bring a large, office-sized water bottle to learn hand patterns with. You can bring sheet-rock buckets and sticks to learn bass patterns... If not, we will have extras. (donations of water bottles, drums and/or rhythm instruments would be so very much appreciated) Beverly will ask experienced participants to assist in demonstrating orchestration and holding important, foundational parts.

COST per workshop \$10.00 per child \$20.00 per family (4 or less)

(all children must be 11 years or under)
